COMPTROLLER'S MEMORANDUM 1999-26

TO: Heads of Departments

SUBJECT: Revised Night Security Escort Services

This memorandum rescinds Comptroller's Memorandum 1999-05, dated February 1, 1999.

Due to restriction on positions, the Automotive Management Division no longer has a Parking Control Officer who is assigned to the night shift. As a result, only the Department of Public Safety, Protective Services Division, will provide an officer to escort employees to their cars when requested. However, this service is limited to employees of the State Capitol. The number to call is 586-1352.

We regret this action. Hopefully, the Parking Control Branch will be able to reinstate this service during the legislative session from January to May.
